Education

V.J.T.I	**2022 – Present**
S.Y B.Tech in Information Technology - 9.10 CGPA	*Matunga, Mumbai*
S.V.Joshi Jr. College	**2020 – 2022**
HSC : 92.17% — CET : 99.81 — JEE-M : 98.96(AIR-9488).	*Dombivali, Thane*

Experience

HackXcelerate Hackathon | *Stood first in the AI/ML section.* **Mar 2024**

- Developed the backend for the project, handling data processing and APIs.
- Integrated ML models for legal research and analysis.
- Collaborated on frontend development to create user interface.

Projects

VisualFlow | *Javascript, ReactFlow, Tailwind ExpressJs* **Sept 2023 - Nov 2023**

- User-Friendly Interface: VisualFlow boasts an interface that is designed to be intuitive and easy to navigate.
- Drag-and-Drop Feature: Create flowcharts by dragging and dropping elements onto the canvas.
- C++ Code Generation: Automatically generate C++ code based on the created flowchart.
- Built-In Compiler: Includes a built-in compiler for testing and verifying the functionality of the generated code.

UniHub | *React, Tailwind, ExpressJs, Flask, Socket.Io* **Dec 2023 - Feb 2024**

- Real-time Messaging System: The platform ensures seamless communication among students.
- Resource Sharing Hub: Allowing students to upload/download diverse academic materials, including textbooks, lecture notes, and study guides.
- Pointer calculator, Vivabot for exam preparation, Events Tracker to provide students with an enriched and interconnected academic experience.

Legal Research Assistant | *React, Tailwind, API, Python, Node.js* **Dec 2023 - Jan 2024**

- Real-Time Messaging: Users can send and receive messages in real-time using Socket.IO, providing a seamless chat experience.
- Group Chats: Users can create and join group chats, facilitating communication among multiple users simultaneously.
- User Interface: The user interface is designed to be intuitive and user-friendly, providing a smooth user experience.

Technical Skills

Programming Languages: Python, Javascript, C++, Java, MongoDB
Developer Tools: VS Code, Atom, Git
Technologies/Frameworks: Linux, GitHub, React, Express.js, Node.js, REST API

Leadership / Extracurricular

Community of Coders
member

- Engagement in CoC events and activities, including event organization and facilitation
- Took part in organizing events and provided mentoring on version control and open-source practices to junior members

Digital VJTI
operations

- Assisted and coordinated to ensure the seamless execution of events and workshops
